## Route description coming by public transport – page 1

In your internet browser, go to the Dutch website for public transport routes and schedules As you will come by public transport: [www.9292.nl](http://www.9292.nl).

There you will need to indicate you will travel to the Park & Ride area (see print screen below from [www.9292.nl](http://www.9292.nl)), from which it is no more than 500 metres to walk to the main entrance of our project site.

The screenshot shows the '9292.nl' public transport planner interface. At the top, it asks 'Waar wil je heen?' (Where do you want to go?). Below this, there are tabs for 'Planner' and 'Extra opties'. The 'Locaties' (Locations) section has a search bar containing 'p+r muiden'. A dropdown menu shows 'Enkele suggesties' (Some suggestions) with two options: 'P+R Muiden, Muiden' (P+R/transfeerium | Muiden) and 'P+R Terrein, Muiden' (Bushalte | Muiden). The date is set to '14-06-2018' and the time to '10:24'. Under 'Type reis' (Type of trip), there are buttons for 'Vertrek' (Departure) and 'Aankomst' (Arrival). At the bottom, there is a large black button labeled 'Plan mijn reis →' (Plan my trip →).

- Coming from the P&R area you will need to cross the road and walk towards shopping centre Maxis.
- When you reach the Muidertrekvaart canal you will find yourself at a white drawbridge at the T-crossing Amsterdamsestraatweg/Maxisweg.
- Cross that bridge and walk to the left, where you will find the Information Centre.

Underneath you will find the print screen of Google Maps.

- At the top in the middle of this print screen you will find the building that houses the Information Centre of ‘De Krijgsman Muiden’.
- The P&R area is not visible on this print screen, but the walking route is straightforward (literally).
- When you have crossed the road coming from the P&R area you are already on the Maxisweg (at the bottom of the print screen).
